Dedicated story artist with experience in illustration, animation and screenwriting. Available to work both on and off site.

## Experience

DXM Productions,  
June 2016 – present

### Independent Contractor

- Created concept pitch boards for the Ford Motors autonomous car project.
- Illustrated example scenarios for the use of augmented reality.
- Acquired new skills on the job for Adobe Illustrator, and SketchUp Make.

*A Godlike Good Kid* mobile game, UCSC Game Development Project,  
January 2016 - May 2016

### Art Lead

- Lead team meetings.
- Planned and executed a production schedule.
- Delegated jobs and assignments to artists.
- Effectively communicated with the creative lead, tech lead and programmers.
- Negotiated the licensing contract.

*Four Four Downpour*, Adobe Student Film Project,  
January 2016 - May 2016

### Storyboard Artist, Animator

- Created storyboards for the director's review. Followed critique from the Producer, Director and Art Director.
- Collaborated with the Director on the story.
- Animated scenes for the film using traditional animation techniques.

*Green Ninja Project*,  
March 2015 - December 2015

### Storyboard Artist

- Introduced and incorporated story, character ideas, and concepts into the production of educational shorts about environmental conservation for kids.
- Researched and evaluated eco-friendly alternative strategies.
- Created and presented storyboards for both animated and live-action show episodes.
